SANTIAGO DE CHILE Y LA UNIVERSIDAD DE GRANADA,  
ESPAÑA**

**SANTIAGO, 04/04/2023 - 1552**

**VISTOS:** El DFL. N° 149 de 1981, del Ministerio de Educación y la Resolución N° 6 Y 7, de 2019, de la Contraloría General de la República.

**CONSIDERANDO:**

La importancia para la Universidad de Santiago de Chile de promover la cooperación académica e interinstitucional e internacional y fomentar las relaciones bilaterales de carácter académico.

**RESUELVO:**

APRUEBESE el convenio, suscrito entre la Universidad de Santiago de Chile y la Universidad Granada, España, con fecha 12 de diciembre de 2022 y cuyo texto es el siguiente:

**Erasmus+ Programme  
Inter-institutional agreement  
Key Action 1  
Learning mobility for higher education students and staff**

**between EU Member States and third countries associated to the Programme  
and third countries not associated to the Programme**

The institutions<sup>1</sup> named below agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. This agreement is valid for the Erasmus+ call years 20[21]-20[27] in:

- KA131

The institutions commit to sound and transparent management of funds allocated to them through Erasmus+ and to respect the quality requirements of the Programme, outlined in the [Erasmus Charter for Higher Education](#)<sup>2</sup> and in this agreement.

The institutions agree on exchanging their mobility-related data according to the [principles of GDPR](#)<sup>3</sup> and in line with the technical standards of the [European Student Card Initiative](#)<sup>4</sup>, when this becomes available for international mobility involving third countries not associated to the Programme.

Sending institutions located in EU/EEA countries have to ensure compliance with the provisions of art. 46 GDPR for all participants' personal data exchanged in the context of their mobility with institutions from non-EU/EEA countries without an adequacy decision, on the condition that enforceable data subject rights and effective legal remedies for data subjects are available in the respective third country. The participants should be informed in a transparent manner about the level of protection of their personal data, if this is different from the one where the sending institution is located.

---

<sup>1</sup> Inter-institutional agreements can be bilateral or multilateral in the case of mobility consortia:

- Bilateral agreements are for cooperation between one higher education institution located in an EU Member State or third country associated to the Programme and another institution located in a third country not associated to the Programme
- Multilateral agreements are for cooperation between a mobility consortium of higher education institutions located in one single EU Member State or third country associated to the Programme and another institution located in a third country not associated to the Programme.

- Provide **appropriate mentoring and support arrangements** for mobile participants, including for those pursuing blended mobility, as well as **integrate incoming mobile participants** into the wider student community and in the Institution's everyday life.
- Provide participants with their **grant as soon as possible upon arrival**, including if necessary a first payment using cash, check or similar to avoid delays linked to opening a bank account.
- The institutions commit to encourage participants to act as **ambassadors of the Erasmus+ Programme** and share their mobility experience, e.g. by providing information about the existence of Erasmus+ alumni networks, inviting former participants in promotion activities, etc.

### 7. Recognition

Institutions commit to:

- Ensure recognition for activities satisfactorily completed. [Please specify the recognition tools that will be used, e.g. [the European Credit Transfer and Accumulation System.](#)]

*Universidad de Santiago de Chile- PIC: 986427436*

*The system used at the Universidad de Santiago de Chile is a grade scale that goes from 1.0 to 7.0, with the approval grade being 4.0. Regarding the equivalence of qualifications, the Universidad de Santiago uses a shared and socialized scale to carry out homologations. Likewise, it should be noted that in a significant number of courses and careers the Transferable Credit System (SCT) is used, which simplifies the validation process by virtue of the review of time spent per program.*

*Chilean Grading System*

*7,0 = Excellent*

*From 6,0 to 6,9= Very Good*

*From 5,0 to 5,9= Good*

*From 4,0 to 4,9= Sufficient*

*From 1,0 to 3,9= Fail*

- Ensure that student and staff mobility for education or training purposes is based on a learning agreement for students and a mobility agreement for staff validated in advance between the sending and receiving institutions or non-academic organisations and the mobile participants.

- Accept all activities indicated in the learning agreement, or according to the learning outcomes of the modules completed abroad, as automatically counting towards the degree, provided these have been satisfactorily completed by the mobile student.
- Partners commit to taking measures to ensure recognition of student and staff mobility upon their return, including:
  - o Providing incoming mobile students and their sending institutions with free-of-charge transcripts. The documents must be in English or in the language of the sending institution and containing a full, accurate and timely record of the achievements at the end of the mobility period.
  - o A Transcript of Records will be issued by the receiving institution no later than [5] weeks after the assessment period has finished at the receiving HEI. *[it should normally not exceed five weeks according to the Erasmus Charter for Higher Education guidelines]*
  - o Providing students on traineeships and staff with a certificate for the activities completed. It is recommended to issue a certificate towards the end of the mobility period.

#### 8. Grading systems of the institutions

It is recommended that receiving institutions provide the statistical distribution of grades or make the information available through [EGRACONS](#) according to the descriptions in the [ECTS users' guide](#)<sup>12</sup>. The table will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.
